**Small Business Enterprise (SBE) Certification**  
**Expiration Date: July 10, 2027**

Dear Mr. Keys:

The Office of Business Opportunity & Exchange (BOeX) at the Greater Orlando Aviation Authority (Aviation Authority) is pleased to certify **Keys Airport Business, Inc.** as a Small Business Enterprise under the Authority's Federal Small Business Enterprise (SBE) Program, established pursuant to the Aviation Authority's Disadvantaged Business Enterprise (DBE) Policy.

This certification applies **only** to the Aviation Authority's Federal SBE program and is intended to expand opportunities for eligible small businesses to compete for federally assisted contracts. This certification does not constitute certification as a Disadvantaged Business Enterprise (DBE), Airport Concessions Disadvantaged Business Enterprise (ACDBE), Local Developing Business (LDB), or Veteran Business Enterprise (VBE), nor does it establish eligibility to participate in DBE or ACDBE goals.

Certification under the Federal SBE program does not guarantee the award of a contract. Rather, it confirms that your firm has met the Aviation Authority's eligibility requirements to participate in the Federal SBE and may compete for contracting opportunities where SBE participation is applicable.

Your SBE certification is valid through **July 10, 2027**. To maintain your certification, a renewal application must be submitted at least ninety (90) days prior to the expiration date. You may complete your renewal application online at <https://goaa.gob2g.com>. **Failure to submit a timely renewal application may result in a lapse in your certification.**

You are required to notify the Aviation Authority promptly of any material changes affecting your firm's eligibility, including changes in ownership, management, control, business structure, or principal place of business, and provide any supporting documentation requested by the Aviation Authority.

Congratulations on your SBE certification. We appreciate your interest in doing business with the Greater Orlando Aviation Authority and look forward to your participation in the Aviation Authority's contracting opportunities.

If you have any questions, please contact the Business Opportunity & Exchange Department at 407-825-7133 or [certifications@goaa.org](mailto:certifications@goaa.org)
